This is with reference to your email dated February 6, 2017 requesting InterGlobe Aviation Limited (the "Company") to respond to recent news item appearing in [thehindu.com](http://thehindu.com) dated February 5, 2017, titled as "**IndiGo's security training centre license suspended**"

In this regard, we would like to clarify that most of the media reports are exaggerated to quite an extent. The issue pertains only to the aviation security training for a limited period. All other trainings are continuing, as scheduled, and there is no impact on our operations.
