Dear Sir,

Subject: Clarification on Media Reports

We refer to your email dated March 7, 2018.

The Competition Commission of India by its order dated March 7, 2018 has imposed a penalty of Rs. 9.45 Crores on the Company (and penalties on certain other airlines) for violating certain provisions of the Competition Act, 2002.

The Company's consistent position in this matter has been that the Company has not violated any provision of the Competition Act, 2002.

The Company is in the process of reviewing the order and is considering exercising its statutory right to appeal against the order.

In our view, the order or the associated media reports do not materially impact the business or operations of the Company. Further, we assure the compliance of Regulation 30 or other regulations of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 relating to the disclosure of events / information that may have a bearing on the operations / performance of the Company.

We trust this clarifies your query. Please let us know if you require any further information or clarifications from us.

Yours truly,
For InterGlobe Aviation Limited

Sanjay Gupta
Company Secretary and Chief Compliance Officer
