Dear Sir,

Subject: Clarification on Media Reports

We refer to your email dated April 04, 2018.

At the outset, please note that the incident referred to in the press article is an issue raised by the staff of our ground handling agency, GV India Services at Varanasi Airport. Having said that, we are actively working with GV India Services to look for a solution for the concerns raised by the staff.

The Company follows a regular payment cycle for its ground handling agents and our payments have remained compliant and up to date throughout the duration of our operations at Varanasi. We have asked GV India Services for an explanation with respect to the concerns raised by its staff and we are working with GV India Services in resolving these at the earliest.

Our operations at the Varanasi airport shall remain normal and our flights shall continue to operate as per schedule.

There is no material event requiring us to make a disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We trust this clarifies your query.

Yours truly,
For InterGlobe Aviation Limited

Sanjay Gupta
Company Secretary and Chief Compliance Officer
