Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform you that "ICRA Limited" has revised the Company's long term rating to [ICRA] A+ (negative) from [ICRA] AA (stable). ICRA has stated that this rating action takes into consideration the significant depreciation of the Indian Rupee coupled with a sharp rise in global crude oil prices. However, ICRA has also noted that the Company's competitive cost-structure coupled with its liquidity position places it in better position to overcome this phase as compared to other domestic airlines.

The short term rating has been reaffirmed at [ICRA] A1+.
