National, April 12, 2017: Bagging yet another prestigious accolade, country's largest and fastest growing carrier – IndiGo has been recognized as the World's Best Airline in the 'Low-cost category' by TripAdvisor **Travellers' Choice Awards**. In its first annual Travellers' Choice Awards for Airlines, TripAdvisor recognised service and hospitality sector based on overall reviews by passengers and aggregators on the services. Airlines was one of the four travel categories identified for the Traveller's Choice Awards and the winners were decided on the basis of an algorithm that assessed the quantity and quality of airline reviews and ratings submitted by travellers worldwide over a period of 12 months. Over 50 airlines were honoured from all over the world.

Commenting on the occasion, **Mr. Aditya Ghosh, President and Whole-Time Director, IndiGo** said, *"We are delighted to receive this recognition. The award is a testimony to the continued support and trust of our flyers. Ten years ago, when we flew our first aircraft, we aimed to redefine air travel in India by making low fare flights the first choice of travellers. We are happy that our passengers have consistently chosen to fly with us; and that inspires us to strive harder every day."*
