

IndiGo launches maiden flights to China effective September 2019; announces Chengdu as its 19th International destination

- IndiGo to operate daily non-stop flights between Delhi-Chengdu –Delhi effective September 15, 2019
- This will be the first non-stop service between Chengdu to India

National, June 12, 2019: India's largest carrier, IndiGo adds another destination in its international portfolio. With entry into one of the world's leading economies, IndiGo will extend connectivity into China to one of its busiest and fastest growing cities – Chengdu. While also operating to five other international destinations in Asia, this flight will make Chengdu, the airline's 19th international destination. This will be the first non-stop service between Chengdu to India.

Mr. William Boulter, Chief Commercial Officer, IndiGo said, *"This is truly a milestone moment for all of us at IndiGo. India is witnessing a much higher growth rate with respect to aviation and currently the India-China route is underserved by Indian carriers. With our plan to operate non-stop daily flights to this Chengdu we are providing the much-needed connectivity between the two destinations. China is a market with immense potential and holds prominent trade, cultural and tourism values. We hope to further strengthen this relation by announcing our entry into China."*

Mr. Boulter further added, *"IndiGo will continue to expand its network to meet the requirements of both business and leisure travellers wherever they demand. It is our constant endeavour to provide more flexibility of choice to our customers as IndiGo continues to offer them on-time, courteous and hassle-free service, and an affordable flying experience."*

The new flights are designed to cater to business and leisure travellers who are constantly on the lookout for new and affordable flying options between India and China. Customers who would like to plan their travel can book tickets through our official website www.goindigo.in. We shall be opening sale of the flights as soon as we secure the requisite regulatory approvals.

In line with its international expansion strategy, IndiGo has enhanced connectivity in Asia, Europe and the Middle East. The airline offers a total of 18 international destinations out of which 11 destinations were announced in 2018-19. With affordable flying options to international cities having their own unique pull, Istanbul, Jeddah and Dammam have been the latest additions. Along with this, 2019 has also witnessed IndiGo's first codeshare agreement with Turkish Airlines, one of the largest airlines in Europe. The codeshare agreement has benefited the customers with extended connectivity to 12 destinations in Europe.
