Mr. Sanjay Kumar, Chief Strategy and Revenue Officer, IndiGo said, *"We are pleased to launch operations from Gwalior making it IndiGo's 70th domestic destination and 4th station in the state of Madhya Pradesh. This is yet another milestone for us as we make further strides in our plan to connect seven regional destinations on 6E network this year. The winter capital of Madhya Pradesh, Gwalior, is known for its beautiful forts, temples, tomb, museum, and palaces. The increased accessibility will not only enhance trade and commerce, but also promote tourism in Gwalior, especially at this time when Indians are increasingly looking towards domestic vacations to rejuvenate and destress. For Indians seeking to explore the culture rich domestic cities, we are committed to providing an affordable, on-time, safe and hassle-free travel experience, onboard our lean clean flying machine."*

Starting this month, IndiGo will now be operating 486 weekly flights from these four cities to key destinations across the country. These new connections will strengthen connectivity to and from these cities in Madhya Pradesh, while fulfilling the demand for enhanced regional connectivity. IndiGo will also connect Gwalior to other metro and major cities like Bengaluru, Kolkata and Hyderabad via Delhi and Mumbai and Goa via Indore.
