

## IndiGoReach observes World Environment Day 2022 through a Beach Clean-up Drive in Thiruvanmiyur Beach, Chennai

**Chennai, June 5, 2022:** India's leading carrier, IndiGo, has collaborated with CommuniTree for a beach clean-up drive in Chennai's Thiruvanmiyur Beach on the occasion of World Environment Day. The cleanup drive was led by IndiGo team and Agile airport services based in Chennai. The trash collected at the beach was sent for recycling. The drive was aimed at creating awareness among citizens to keep our beaches clean and adopt environment-friendly practices, everywhere. This initiative is a part of the larger IndiGo Green mission, wherein the airline is working towards reducing the impact on the environmental and contribute through social and sustainability initiatives.

During the event, **Mr. Raj Raghavan, CHRO, IndiGo**, said, *"Environment is an important pillar of our IndiGo Green program. On World Environment Day, our employees in Chennai have enthusiastically participated in a beach cleanup activity. As the leading airline, we consider it our responsibility to undertake such activities and lead the way in reducing the environmental impact of tourism through sustainable initiatives."*

Recently, IndiGo published its first ESG Report, IndiGo Green, to share company's outlook towards good governance and an overview of the environmental and social performance. IndiGo is the first airline in India to work towards good governance and an overall improvement in environmental and social performance. The airline has already registered a reduction of 1,478,359 tonnes of carbon emissions from FY '15 to FY '21. In FY '23, the airline aims to reduce CO2 emission by 18% per ASK when compared to FY '16. IndiGo is determined to be a leading airline in the world, focused on enhancing sustainability.

IndiGoReach is the Corporate Social Responsibility (CSR) arm of IndiGo. The CSR interventions reaches out to communities on the areas of Children and Education, Women Empowerment, Environment and Heritage through a network of very efficient partner organizations spread across 19 states of India.
